

# Fresh Out of Favours

Mary Hopkin

Tender caresses  
That sent you to sleep  
Leftover kisses  
They're all goin' cheap

Love of the century  
Sold out my store  
So I put up a sign  
And I'm closing the door

'Cause I'm fresh out of favours  
And fresh out of dreams  
I've sold everything  
A broken heart needs

Roll up and buy  
At my broken down stall  
Love's precious mem'ries  
I'm selling them all

'Til my cupboards are empty  
And shelves are all bare  
I've traded my pride  
I got nothin' to spare

And I'm fresh out of favours  
And fresh out of dreams  
I've sold everything  
A broken heart needs

So don't come to me  
When you're bleeding inside  
Thinkin' I'll greet you  
With arms open wide

'Cause I'm fresh out of favours  
And fresh out of dreams  
I've sold everything  
A broken heart needs

Huggin's on offer  
The sale ends today  
And if nobody buys  
Then I'll give it all away

Treasured possessions  
I'll set them all free  
'Cause now that you've gone  
They mean nothin' to me

And I'm fresh out of favours  
And fresh out of dreams  
I've sold everything  
A broken heart needs  
A broken heart bleeds
