

# Lullaby Of The Leaves

Mary Hopkin

Cradle me where Southern skies  
Can watch me with a million eyes  
Oh, sing me to sleep  
Lullaby of the leaves

Cover me with heaven's blue  
And let me dream a dream or two  
Oh, sing me to sleep  
Lullaby of the leaves

Ooh-ooh, ooh-ooh, ooh-ooh

Don't I feel it in my soul  
And don't I know I've reached my goal  
Oh, sing me to sleep  
Lullaby of the leaves
