

Wrap Me in your arms

Mary Hopkin

Understand I am afraid on my feet
Show me a seat
Give me a chance to recover my strength
And at length
I will join in the dance

As you can see I'm all out of time
So scared to stand, swing with a band
Won't you give me your hand?
You seem so strong and handsome to me
We'll dance

Wrap me in your arms again
Your touch is so much, it's enough
Wrap me in your arms again
I'm dancing my way into love

I must confess I've been on the floor often before
But men stepped on my toes
And now God only knows
I was bound to come 'round to this big romance
Now, we'll dance

Wrap me in your arms again
Your touch is so much, it's enough
Wrap me in your arms again
I'm dancing my way into love

Wrap me in your arms again
Your touch is so much, it's enough
Wrap me in your arms again
I'm dancing my way into love
