

## Go Get It

Mary Mary

It's like you're looking through a telescope you see where you  
gone be  
Growing getting better you're not the person they see  
Can't be mad at the things you been through cuz they built yo m  
uscle  
Now you're stronger than you've ever been they can't stop yo hu  
stle

Yo Faith ain't never small that's what brought you this far  
See you got your dreams and you got your prayers and you got Yo  
God he gone take you there  
See everybody has a season and I believe this one's yours  
Cuz you been workin, waitin, this what you been prayin for

Go get it, Go Get it, Go get it, Go get it, Go get it  
Go get yo blessing  
Go get it, Go get it, Go get it, Go get it, Go get it, Go get i  
t  
It's yo time, it's yo time, it's yo time, it's yo time

You were made to live a good life and that's what I believe  
So hit the floor say a prayer start working you got to do somet  
hing  
It's alright to crawl before you walk it's alright to walk befo  
re you run  
But if you wanna get what you never got gotta do something that  
you never done

You've been qualified  
But his mercy multiplied  
You cannot be denied  
Cuz you're finally certified  
It's official  
Go ahead and testify  
He's gone bless you  
You gone bless him  
Now God be glorified
