

# He Holds His Own

Mary Wells

La-la-la-la-la  
La-la-la-la-la  
La-la-la-la-la  
La-la-la

Say what you will about him  
You'll never make me doubt him  
He means the world to me  
His love is all I need  
Wealth he doesn't have  
But he holds his own (He holds his own)

Say what you will about him  
But I can't live without him  
It makes my life worthwhile  
Watching his tender smile  
Handsome he may not be  
But he holds his own (He holds his own)  
Holds his own

La-la-la-la-la  
La-la-la-la-la  
La-la-la-la-la  
La-la-la

Say what you will about him  
You'll never make me doubt him  
Though he's a soft spoken guy  
A little quiet, a little shy  
He has other qualities  
And he holds his own  
He holds his own, oh

His love I can rely on  
He's my shoulder to cry on  
Handsome he may not be  
But he holds his own  
He holds his own

Say what you will about him (He holds his own)  
'Cause you'll never make me doubt him (He holds his own)  
The boy is so true (He holds his own)  
'Cause he'll never, never make blue (He holds his own)
