I Love The Way You Love

Mary Wells

The sweet things you do to me
Like holding my hand
When I'm low, you let me know
You always understand

And I love the way you love
It makes me feel so fine
I love the way you love
Because I know you're all mine

I'll never do you wrong
I'll never make you cry
If you stop lovin' me
I know that I'll just die

Because I love the way you love
It makes me feel so fine
I love the way you love
Because I know you're mine, all mine

Folks tell me now and then, find somebody new
I don't care what the people may say
I'm sticking right here with you

Because I love the way you love
It makes me feel so fine
I love the way you love
Because I know you're mine, all mine

Folks tell me now and then, find somebody new
I don't care what the people may say
I'm sticking right here with you

Because I love the way you love
It makes me feel so fine
I love the way you love
Because I know you're mine, all mine
