

My 2 Arms -You=Tears

Mary Wells

I never knew much about arithmetic
Our history is not my style
But you've been gone away from me
For just a little while

And I know (I know)
An hour is like a year
My two arms minus you
Equals tears

When we were together, we had so much fun (So much fun)
Do you remember (Do you remember), you told me
You plus me equals one

And I know (I know)
This is how I feel
My two arms minus you (My two arms minus you)
Equals tears

I'm goin' out of my mind, staring at these four walls
Together we stand
So hurry back baby, because divided we fall
If you stay away much longer, I'll lose your love I feel
So try, the one I love
You multiply my tears

And I know (I know)
This is how I feel
A hour is like a year
I'm lost without you dear
My two arms minus you
Equals tears
My two arms minus you
Equals tears
