

# You're My Desire

Mary Wells

You, you are my, my one desire  
You make the sky seem so much brighter  
There is something I know  
I can't live without you  
Oh I can't live without you  
Oh underneath a summer sky  
All I can see, all I can see is a tear in your eye  
No need of crying  
You are the only boy for me  
Oh every day, oh & every night, I hold you tight  
& then you, you kiss me & you squeeze me  
With all, with all of your might  
Oh you are, you are my one desire  
You make the sky seem, seem so much brighter  
There is something I know  
I can't live without you  
Oh you are my one desire
