

Bitter End

Massacre

You say I'm so different
So apathetic and smug
What the f**k do you expect
After what you have done

The way I live my life
To the bitter end
Full of hate and rage
To the bitter end
I truly hate you
I f**king despise you

Don't ask forgiveness
You won't get shit from me
I don't forgive, I don't forget
You won't get off that easy

The way I live my life
To the bitter end
Full of hate and rage
To the bitter end
I truly hate you
I f**king despise you

I can't believe what you have done
After all, I thought we were friends
I thought we'd always be together
Forever together to the bitter end
You told me so many f**king lies
You've become such a f**king whore
I won't take your shit anymore
I won't take your shit anymore

You say I'm so hostile
A malicious spiteful jerk
Well my unbeloved bitch
That's how I act when I'm hurt

The way I live my life
To the bitter end
Full of hate and rage
To the bitter end
I truly hate you
I f**king despise you

That's right, you stupid cunt
I f**king hate you to the bitter end
