Massive Attack

[3D]

Sitting in my day care  
It was day-glo painted  
You see me i'm a drinker  
You see me now i'm sainted  
Chased by the plaintive  
Haunted by the medium  
Too high to flow too bored to break the tedium  
Glow from my tv set was blue like neon  
Activate the remote i put the BBC on  
I've seen this city, so on  
I'm looking out for no-one  
Pilot in my eye it gets blue like neon

It gets blue like neon  
It gets blue like neon

[Horace Andy]

Can't see nothing wrong  
Can't be nothing wrong  
Inside of me

[Daddy G]

I walk in a bar, immediately sense danger  
You look at me, girl, as if i was a  
A total stranger

[3D]

Hysterical, ecstatic no matter, call me stags(?)  
It's kind of hard to get a drink or  
Just a girl to relax on  
Phono, no go zone i go through  
Aching always just to relocate you  
Kill us with your fist  
So you mix it with me  
I function better when i get approximately  
High by my technical flyby  
I function better with the sun in my eyes  
I function better with the sun in my eyes  
I function better with the sun in my eyes

[Horace Andy]

Can't see nothing wrong  
Can't be nothing wrong  
Inside of me

[Daddy G]

Take a second of me you beckon i'll be  
And when you're sad i'll mourn  
And when you're down i'm torn  
Take a second of me

Said take a second of me  
I stand firm for our soil  
Lick a rock on foil  
Reduce me, seduce me  
Dress me up in stussy  
Will you be my victim  
Show me where to stick em  
Take a second of me (a second to see)

[3D]

In my day-care  
On my sofa  
One spliff makes daddy go sleep  
Makes daddy go sleep
