

# I Against I

## Massive Attack

I ya, I against I  
Flesh of my flesh  
And mind of my mind  
Two of a kind but one won't survive  
My images reflect in the enemy's eye  
And his images reflect in mine the same time

I ya, I ya, I against I  
Flesh of my flesh  
And mind of my mind  
Two of a kind but one won't survive

Right here is where the end gon' start at  
Conflict, contact, combat  
Fighters stand where the land is marked at  
Settle the dispute about who the livest

Three word answer, whoever survive this  
Only one of us can ride forever  
So you and I cant ride together  
Can't live or cant die together  
All we can do is collide together

So I skillfully apply the pressure  
Won't stop until I'm forever one  
A door step where death never come  
Spread across time 'til my time never done  
And I'm never done

Walk tall, why ever run?  
When they move if I ever come?  
Bad man never fret the war, tell'em come  
General we have the stock, the mad fire burn

I ya, I against I  
Flesh of my flesh  
And mind of my mind  
Two of a kind but one won't survive  
My images reflect in the enemy's eye  
And his images reflect in mine the same time

I ya, I ya, I against I  
Flesh of my flesh  
And mind of my mind  
Two of a kind but one won't survive  
Survive, survive, survive, survive, survive  
Survive, survive, survive, survive

Reign supreme in your U N I  
V E R S E with the sharpness  
Narrow row building no space for partners  
No space for drivers, no space for walkers  
No space regardless

You're on my path then get off it  
Hardheaded and unresponsive  
Get they lives put on target with harshness

Come with the canons sparkin' they darken

Who am I? One man squadron  
Ma stir the fire this time that'd snatch your tomorrow  
The thousand yard spear that'll pierce through your armor  
You can get it on right now if you want to  
But when ya front 9 get marched through  
I warned you, you know who forever belong to

I ya, I ya, I against I  
Flesh of my flesh  
And mind of my mind  
Two of a kind but one won't survive  
My images reflect in the enemy's eye  
And his images reflect in mine the same time

I ya, I ya, I against I  
Flesh of my flesh  
And mind of my mind  
Two of a kind but one won't survive  
My images reflect in the enemy's eye  
And his images reflect in mine, survive  
Survive, survive, survive, survive, survive  
Survive, survive, survive, survive
