

# Energy

Masterboy

RAP 1:

let me lift you high  
up to the sky  
to wonderland my magic friend  
the stars are shining oh so bright  
on our journey in the night  
to new horizons we are bound  
moon is smiling turn around  
atmosphere set me free  
take me there energy

REFRAIN:

I give you more  
I give you more  
more more energy
