Back 2 Good

Matchbox Twenty

It's nothing, It's so normal
You just stand there
I could say so much,
But I don't go there cuz I don't want to
I was thinking if you were lonely
Maybe we could leave here and no one would know
At least not to the point that we would think so

Everyone here, knows everyone here is thinking about somebody else
It's best if we all keep it under our heads
I couldn't tell, if anyone here was feeling the way I do,
But I'm lonely now, and I don't know how
To get it back to good

This don't mean that, you own me
This ain't no good, in fact it's phony as hell
But things worked out just like you wanted too
If you see me out you don't know me
Try to turn your head, try to give me some room
To figure out just what I'm going to do

And everyone here, hates everyone here for doing just like they do
It's best if we all keep this quiet instead
And I couldn't tell, why everyone here was doing me like they do
But I'm sorry now, and I don't know how
To get it back to good

Everyone here, is wondering what it's like to be with somebody else
Everyone here's to blame
Everyone here gets caught up in the pleasure of the pain
Everyone here hides shades of shame
But looking inside we're the same, we're the same
And we're all grown now,
But we don't know how
To get it back to good

Everyone here
Knows everyone here is thinking 'bout somebody else
It's best if we all keep this under our heads
I couldn't tell
If anyone here was feeling the way I do
But it's over now,
And I don't know how,
It's over now,
There's no getting back to good
