

## What I Could Stand For

Mates of State

Can you tell me about yourself  
I am partial to life without  
How long have you wanted this  
How do I say this  
I've always wanted this  
What are your weaknesses

Where in ten can you see yourself  
I remark, "To the tenth without."  
How much can you benefit  
How do I say it  
I always benefit  
What are your weaknesses

What are your weaknesses  
I won't pass you by

It's autumn, love  
You're better for the several of us  
You group it and your group it  
But it's autumn, love
