

Easy Feeling

Matt Costa

I feel like taking it easy
People in my life seem so complicated
I think I'll take a drive

Looking for an easy feeling
Looking for an easy feeling
I won't stay for too long
I'm just looking for an easy feeling
Mary, I'm a wrecking ball
Looking for an easy feeling
So Mary, leave your light on

I see her light on
I know that she is home
It makes me feel so good
She won't tell me it's wrong

Looking for an easy feeling
Looking for an easy feeling
I won't stay for too long
I'm just looking for an easy feeling
Mary, I'm a wrecking ball
Looking for an easy feeling
So Mary, leave your light on

Mary, I am a wrecking ball
Mary, I am after all
Mary, I am a wrecking ball

You know it's not like me but I come back for more
And we may hurt someone if you let me in that door

Looking for an easy feeling
Looking for an easy feeling
I won't stay for too long
I'm just looking for an easy feeling
Mary, I'm a wrecking ball
Looking for an easy feeling
So Mary, leave your light on

Mary, I am a wrecking ball
Mary, I am after all...
