

## Slow

Matt Costa

I know that I'm dreaming don't you wake me  
I know that I'm dreaming if you do  
Won't you please just please do it slow  
Cause I don't want this to go

I know I could cause a lot of trouble  
But I'm just trying to hold on to this thing  
When I know I should let go  
Should let go

Let it slip away, yea, if we do  
The day would understand  
But if you're a dream  
And I am the night  
Then we'll walk hand in hand

So if you wake me  
Won't you please just do it slow  
Cause I don't want this to go

Now someone set a fire in your room here  
It's fucked up but I'm drawn into the flame  
When I see it burning slow  
Burning slow

The night we find ourselves together  
The night that you fall into my arms  
When I know we should let go  
Should let go

Let it slip away, yea, if we do  
The day would understand  
But if you're a dream  
And I am the night  
Then let us just both be damned

So if you wake me  
Won't you please just do it slow  
Cause I don't want this to go  
No I don't want this to go
