

Vienna can you hear me lazing on the afternoon?
Cathedral bells are ringing a sound
Winter can't ignore her
Spring'll bring her back with blossoms
Summer bring her back to me now
Bring her to me

Shoulder to shoulder, be back in a month I told her
Wishing wells I wish her with me
Vienna was machs du
I'm running through the streets of Zurich
Calling all the trains in Europe to bring her to me

Anything I got to do now
Anything I got to do to be...
Back with happy Mondays
Sleeping in on Sundays

Just to bring her to me
Vienna can you hear me lazing on the afternoon?
Cathedral bells are ringing a sound
Winter can't ignore her
Spring'll bring her back with blossoms
Summer bring her back to me now
Bring her to me

Anything I got to do now
Anything I got to do to be...
Back with happy Mondays
Sleeping in on Sundays
Just to bring her to me
