

Land of My Father

Matt Maher

There's a sweetness in Your presence
All Your children running home
Singing songs of exultation
Lifting up Your name

In the land of my Father, oh my soul will sing

Holy, Holy, Lord God Almighty
We sing Holy, Holy, my eyes have seen the glory
Of the great God Almighty

There's a patience in Your Spirit
Waiting for that day to come
Peace beyond all understanding
Never-ending joy

In the land of my Father, oh my soul will sing

Holy, Holy, Lord God Almighty
We sing Holy, Holy, my eyes have seen the glory
Of the great God Almighty

God Your goodness, I have tasted
Jesus I have seen

Holy, Holy, Lord God Almighty
We sing Holy, Holy, my eyes have seen the glory
Of the great God Almighty
