

Mortals

Matt Maltese

And when all the roses die
And the last of us have lived our lives
They'll be spaceships in the sky
For a few of them
To give Mars a try
No more prom, there's no crows
Should have bought the electric car

Oh, mortals, oh mortals
Where did all go so wrong?
Didn't think this far on
Can barely think about today
Mortals, oh, mortals
Didn't do nothing wrong
Just tried nothing alone
Don't wanna laugh along today

And I'll see you in the park
Saying last goodbyes
To all your dogs
Maybe we'd have hit it off
If old Mother Earth
Hadn't got so hard
But I can't worry about descendants
Whilst I worry about my feelings

Oh, mortals, oh mortals
Where did all go so wrong?
Didn't think this far on
Can barely think about today
Mortals, oh, mortals
Didn't do nothing wrong
Just tried nothing alone
Don't wanna laugh along today
Don't wanna laugh along today

Where my little clothes
Check up on my phone
We are not alone
We are not alone
Take my shopping home
Wash my kitchen floor
There might still be hope
There might still be hope
