## **Copper Mine**

## **Matt Pond PA**

when it snows from above the towers the ground stays still — it can't get away clothe the roofs hour after hour with this ease ignore the obvious

heard the cold lost all its power if we go let's go away
If we go let's go away

to rusted cars on blocks with no windows to union dam where signs all say slow to the copper mine where the blue water swallows to the bottom if nobody follows all year long the water stays cold
