

I Will Follow You Into The Dark

Matt Simons

Love of mine someday you will die
I'll be close behind
To follow you into the dark.
No blinding lights or tunnels to gates of white,
Just our hands clay so tight
Waiting for the hint of the spark.
If heaven and hell decide that they both are satisfied
Illuminate the nose on their vacancy sings
If there's no one beside you when you're so ...
I'll follow you into the dark.

Catholic school is vicious as Roman Rule,
I got my knuckles bruised
By a lady in black and
I held my tongue, as she told me "son
Fear is the heart of love",
So I never went back in.
If heaven and hell decide that they both are satisfied
Illuminate the nose on their vacancy sings

If there's no one beside you when you're so ...
I'll follow you into the dark.
I'll follow you into the dark.

You and me, we've seen everything to see
To Bangkok to Calvary ,
And the souls of our shoes are all worn down
The time for sleep is now,
There's nothing to cry about
'Cause we'll hold each other soon in the blackest of uu-uuuh
If heaven and hell decide that they both are satisfied
Illuminate the nose on their vacancy sings
If there's no one beside you when you're so ...
I'll follow you
I'll follow you
I'll follow you
I'll follow you into the dark.
I'll follow you into the dark.
