Yes, I'm Ready

(Are you ready?)
(Are you ready?)

I don't even know how to love you Just the way you want me to But I'm ready to learn Yes, I'm ready to learn To fall in love To fall in love To fall in love right now

I don't even know how to hold your hand Just to make you understand But I'm ready to learn Yes, I'm ready to learn To hold your hand, Make you understand To hold your hand right now

I don't even know how to kiss your lips At a moment like this But I'm gonna learn how to do All the things you want me to (Are you ready?) Yes, I'm ready (Are you ready?) Yes, I'm ready To hold your hand, Make you understand, To fall in love right now

Oooooh

(Are you ready?) Yes, I'm ready (Are you ready?) Oh, I'm ready (Are you ready?) I'm ready (Are you ready?) Oh, I'm ready

(Are you ready?)
