Yeah
We could stay here 'til the morning (1'Il make you feel alright
I never planned on getting caught up (Yeah)
Now we're speaking under red lights (Now don't you feel alright
?)
Now, now don't you feel alright? Ooh
All we are is all we need
'Cause maybe it's all make-believe tonight
And heaven must be lonely since you've fallen angel
Free love makes things better
Baby, I love the fever (Oh, oh, oh, get down)
Get down, get down, get down
Oh, oh, oh
Free love makes things better
Baby, I love the fever (Oh, oh, oh, get down)
Get down, get down, get down
Oh, oh, oh
I was in the headlight, you was in the RV, we were in the EZ, y
ou was in the-
I was in the four drive, you don't wanna see them, they don't w
Hit you with the par three, never thought it might be, they don
't really like me
They don't wanna-
