

Good Man

Maverick Sabre

Oh, yeah, yeah

I've been down here standing here for time
And I want you to know that
I'm sorry that never made you cry
I've outgrown just the thought of
Yeah, we changed, let's be honest
What a shame
Hope you always knew

I tried to be a good man (Good man)
But you don't believe me
But you don't believe me
I tried to be a good man (Good man)
But you don't believe me (But you don't believe me)
But you don't believe me (But you don't believe me)

Long nights of Camel Blue
We always get home past five
We sleep 'til September flew
That won't ever make things right
But when it all comes crumbling on you
Don't ever be the one
That comes running back to

I tried to be a good man (Good man, I tried)
But you don't believe me (But you don't believe me)
But you don't believe me (Oh, but you don't, no-no-no)
I tried to be a good man (Good man, oh)
But you don't believe me (But you don't believe me)
But you don't believe me (Oh, but you don't)
(Don't believe me) Yeah

Don't know why you thought that
I would be the one to bring you down, down, down
We go 'round, 'round, 'round
I only gave the best of me (I only)
What more did you expect of me?
And why, why, why?
Can only tell you why

I tried to be a good man (Good man, oh yeah-yeah-yeah)
But you don't believe me (But you don't believe me)
But you don't believe me
You don't believe me
I tried to be a good man (I tried to be, oh yeah)
But you don't believe me (No, no)
But you don't believe me

Oh, you don't believe
You don't believe
No, you don't believe me
No, you don't believe
No, you don't believe
No, you don't believe me
