

Hard On Me

Maverick Sabre

Face down on my chest
Wake up and you are there
Your touch takes my tears
But I'm lying here wondering if you are sincere

I pray that what you give me is real
I hate that it's the way I feel
Nothing seems to care for me to see

And I can't drink for love with you
If I can't recognize the truth
I watch you as you rest
I'm so confused

'Cause I don't wanna be used darling it's too hard on me
And I don't know what to do darling but choose honesty
And I don't wanna be used darling it's too hard on me
And I don't know what to do darling but choose honesty

[?]
And your smile as you're fast asleep
My fears tell me to go
But as you're whispering in my ears [?]

So I don't

I pray that what you give me is real
I hate that it's the way I feel
But nothing seems to care for me to see

But I don't wanna be used darling it's too hard on me
And I don't know what to do darling but choose honesty
And I don't wanna be used darling it's too hard on me
And I don't know what to do darling but choose honesty

Oh please darling don't use me
Please darling don't use me
Oh please darling don't use me

So I don't know how I can take it
And I don't know how I can make it
And I don't know how I can take it
And I don't know how I can make it

Please darling don't
Please darling don't
