

Lay Your Head

Maverick Sabre

Lay your head on me
Trust, you will find a little peace
Lay your head on me
Love, you will find just, you'll see

Little river on our big ocean
I will keep you on through all the storms, and
Don't want you to cry, never shed a tear
I want to see you smile, I won't let it disappear

Lay your head on me
Trust, you will find a little peace
Lay your head on me
Love, you will find just, you'll see

I won't let you down, never let you fall
When you need a hand, I will lift you tall, and
I will see your eyes, standing ten feet high
You deserve just love, you'll get nothing less from my-

Lay your head on me
Trust, you will find a little peace
Lay your head on me
Love, you will find just, you'll see

Ooh, yeah, yeah (Yeah, yeah)
Ooh, yeah, yeah (Yeah, yeah)
No, no, no, no, no, no-no (No)
(Mhm)

Lay your head on me
Trust, you will find a little peace
Lay your head on me
Love, you will find just, you'll see
Love, you will find just, you'll see
