

Middle of Eden

Maverick Sabre

I'll, I'll hold your coat
Stand by your door
And I'll stand in your corner
Endlessly yours

We could get deeper
Running away never frees you
If all that you need is to breathe
Come to the middle of Eden

I'll be there, I'll be, I'll be there
I'll be, I'll be there
I'll be, I'll be there
I'll be, I'll be there
I'll be, I'll be there
I'll be, I'll be there
I'll be, I'll be there
I'll be, I'll be there

I know you hate to show the world you're down
Drunk so much you nearly hit the ground
But nothing is what it seems right now
Me and you are forever bound
Life without love could be lonely
But you're not alone, you've got my ear, remember me

We could get deeper
Running away never frees you
If all that you need is to breathe
Come to the middle of Eden

I'll be there, I'll be, I'll be there
I'll be, I'll be there
I'll be, I'll be there
I'll be, I'll be there
I'll be, I'll be there
I'll be, I'll be there
I'll be, I'll be there
I'll be, I'll be there

We could get deeper (Deeper)
Running away never frees you
If all that you need is to breathe (Is to breathe)
Come to the middle of Eden (Come to the middle of Eden)
We could get deeper (Oh)
Running away never frees you
If all that you need is to breathe
Come to the middle of Eden

Oh
Actually though, send me the lyrics
I was like...
I know, I'm just like...
