

Weakness

Maverick Sabre

I don't want to be forsaken
I don't want to be forsaken and I'm just saying
Don't want to be your mistake
Just to hold on
Hold on
Tell me do you hold me sacred
Tell me do you hold me sacred while I'm breaking
And is it only me that's fading
Trying to hold on
Hold on

In the corner I'm in deeper each time
Kept me holding all your secrets and lies
And you don't want to take me as I am because I'm not who you want

And you won't be my weakness anymore
You won't be my weakness
Anymore
You won't be my weakness anymore

I don't want to be forsaken
And I don't want to be depraved of your embrace
And is it only me that's changing
Trying to hold on
Hold on
Tell me do you hold me sacred
Tell me do you hold me sacred while I'm breaking
And is it only me that's fading
Trying to hold on
Hold on

In the corner I'm in deeper each time
Kept me holding all your secrets and lies
And you don't want to take me as I am because I am not who you want

And you won't be my weakness anymore
You won't be my weakness
Anymore
You won't be my weakness anymore

And you won't be my weakness anymore
You won't be my weakness
You won't be my weakness anymore
You won't be my weakness no
