

# Can't Wait Until Tonight

MAX

Ohh, oh baby  
Don't wanna talk about the way I am  
I only try to make you understand  
That my affection is so really true  
And my heart has started thumpin' since I met you

I just can't wait until tonight baby  
'Til I have you by my side baby  
I just can't wait until tonight baby  
For being with you  
Do do do do do (3x)  
For being with you

First time I saw you it just knocked me down  
The way you smiled has turned my life around  
I never thought that it would catch me so  
I'll get my head together 'cause I want you to know

I just can't wait until tonight baby  
'Til I have you by my side baby  
I just can't wait until tonight baby  
For being with you

True love won't be afraid of noone  
True love can lead us through the day  
I'll get my head together  
And I want you to say

Ohh  
I just can't wait until tonight baby  
'Til I have you by my side baby  
Just can't wait until tonight baby  
For being with you  
Do do do do do (3x)  
For being with you
