

Lost My Way

MAX

Broke down on the highway
Next to where I grew up
Old friend of mine just passed away
Didn't get to show him love

Time don't stop fading
Living for the weekend
Haven't been practicing, just preaching
Forgot what I believed in
I lost my way

Better get my act together
Gotta get my head on straight
I don't know what I've been doing
I lost my way
Better get my act together
Gotta get my head on straight
I don't know what I've been doing
Lost my way

La-la-la-la-la-la-la-la-la-la-la-la-lost [x3]
Lost my way

Woke up, new hometown
Same as the last one was
Hope that I'll be home soon
Can't forget where I came from

Time don't stop fading
Living for the weekend
Haven't been practicing, just preaching
Forgot what I believed in
I lost my way

Better get my act together
Gotta get my head on straight
I don't know what I've been doing
I lost my way
Better get my act together
Gotta get my head on straight
I don't know what I've been doing
Lost my way

La-la-la-la-la-la-la-la-la-la-la-la-lost [x3]
Lost my way
La-la-la-la-la-la-la-la-la-la-la-la-lost [x3]
Lost my way

I put the wrong things first, fuck it
At my worst, they're in my ways
But they're my mistakes
I was my only weakness
So medicate the treatment
I put the wrong things first, fuck it
At my worst, they're in my ways
But they're my mistakes
I was my only weakness

So medicate...

Better get my act together
Gotta get my head on straight
I don't know what I've been doing
I lost my way

La-la-la-la-la-la-la-la-la-la-la-la-la-lost [x3]
So medicate the treatment
La-la-la-la-la-la-la-la-la-la-la-la-la-lost [x3]
Lost my way

Out on an old highway
Next to where I grew up, yeah
Lost my way
