

# Shot of Pure Gold

MAX

And I won't let you go  
I never never let you go  
And I won't let you go  
I never never to let you go

You got your hooks on me  
And it's harder to breathe  
But I do it all to be a man  
I caught this love disease  
and I'm down on my knees  
I want that fourth finger on your left hand

Cause' you got something that all the boys want  
And you are something that all the girls wanna be  
Huh! Don't you know what you do to me?  
(Don't you know, don't you know, don't ya)  
Uh! Don't you know what you do to me?

You're like a shot of pure gold, got my heart beating out of control  
And I need you baby, and I'm never gonna let you go  
You got me like uh oh uh oh uhh  
You got me like uh oh uh ohh  
And I'm never gonna let you go

(And I won't let you go, never never let you go)  
And I'm never gonna let you go  
(And I won't let you go, never never let you go)  
Hah, It's not over

Honey you got the keys to my heart,  
let the engine start and we can be together to the end  
I'm in the position, want you to start the ignition, make the decision  
And we can be a little more than just friends

Cause' you got something that all the boys want  
And you are something that all the girls wanna be  
Huh! Don't you know what you do to me?  
(Don't you know, don't you know, don't ya)  
Uh! Don't you know what you do to me?

You're like a shot of pure gold, got my heart beating out of control  
And I need you baby, and I'm never gonna let you go  
You got me like uh oh uh oh uhh  
You got me like uh oh uh ohh  
And I'm never gonna let you go

Don't you know it's a little hot in here  
When you're walking quit the talking, body rocking  
You can be, on top of the world  
Uh! Don't you know that you're making me sweat, keeping your body in check  
If you let me I let you be  
Huh! My only girl

You're like a shot of pure gold, got my heart beating out of control  
And I need you baby, and I'm never gonna let you go  
You got me like uh oh uh oh uhh  
'Got me like uh oh uh ohh

You're like a shot of pure gold, got my heart beating out of control  
And I need you baby, and I'm never gonna let you go  
You got me like uh oh uh oh uhh  
You got me like uh oh uh ohh  
And I'm never gonna let you go

Uh oh uh oh uhh  
I'm never gonna let you go  
Uh oh uh oh  
Uh oh uh oh uhh  
Uh oh uh oh  
And I'm never gonna let you go
