

# Oh War!

Max Webster

(M--Mitchell; L--DuBois)  
oh war it's been done before / that's what they say  
i wasn't there / they say there's one today  
i don't care / i'm not there today...  
C--cause i'd say f\*\*k you instead of thank you  
    your choice under your breath  
    oh say go to hell / i'll go american express  
oh war history says you are in it / your sister's boyfriend's i  
n it  
so so long soldier / wash your socks and guns / and just rememb  
er  
if you don't see a profit / sell your stocks and run...--C  
oh say no to hell / i'll go american express
