

Ascension (Don't Ever Wonder)

Maxwell

I just wanted to take some time to really thank all of you
Believe it or not, I never ever thought this would happen
So God bless you, I love you
Thank you

It happened the moment, when you were revealed
'Cause you were a dream that you should not have been
A fantasy real
You gave me, baby
(You gave me, you gave me)
That's what she did, that's what she did
(You made me your baby)
You made me, you made me
(I just wanna try) And I just wanna try
(To give you love and I) To give you love, yeah
Whoa, so

So shouldn't I realize (I should realize)
You're the highest of the high
If you don't know, then I'll say it (I'll say it)
So don't ever wonder (Don't ever wonder)
Shouldn't I realize (I should realize)
You're the highest of the high
If you don't know, then I'll say it (And I'll say it)
So don't ever wonder (Wonder)

So tell me how long
How long it's gonna take until you speak to me, baby
'Cause I can't live my life
Without you here by my side

Shouldn't I realize (I should realize)
You're the highest of the high
If you don't know, then I'll say it
So don't ever wonder (Wonder), don't ever wonder

You gave me this feelin'
Hoo, woo

Shouldn't I realize (I should realize)
You're the highest of the high
If you don't know, then I'll say it
So don't ever wonder
Don't ever wonder
Shouldn't I realize (I should realize)
You're the highest of the high
If you don't know, then I'll say it
So don't ever wonder
(Can you help me out for a minute?)
Don't ever wonder

Shouldn't I realize
You're the highest of the high (Oh, Lord have mercy)
If you don't know, then I'll say it
So don't ever wonder
(Oh baby, get on up out your seats, come on, come on)
Don't ever wonder

Shouldn't I realize (I should realize)
You're the highest of the high
If you don't know, then I'll say it
So don't ever wonder (Wonder)
Don't ever wonder
Don't ever wonder
Don't ever wonder (I should realize)
Don't ever wonder (You're the high)

Thank you
