

Letting Go

Mayday Parade

Glass tabletop for two
Shatters across the room
It's been this way, it stays this way since June

Gravity pulls me in
Further from my skin
I run but my feet don't touch the ground

If you're letting go
Let me go slowly
If you're letting go
Lay me down softly

Smoked out the back room
To get rid of the scent of you
I've been this way, I stay this way since June

If you're letting go
Let me go slowly
If you're letting go
Lay me down softly

If you're letting go
Let me go slowly
If you're letting go
Lay me down softly

If you're letting go
Let me go slowly

Glass tabletop for two
Shatters across the room
It's been this way, it stays this way since June
