

Watchers

Mayhem

Nexus, Astral, Archon, Portal

Come to my spinal serpent
Fatal doom in DNA-design
Result of the ancient covenant
Outer races made upon mankind

The genesis of human race
Endless cosmic experiment
To enslave the supreme self
Hybrid of alien genes

Nexus, Astral, Archon, Portal

Illusion of flesh and blood
Embedded in the core of mind
Cold-blooded instincts
Demon seed inside

Nexus, Astral, Archon, Portal

Eternal mental distress
Ruthless tyrant of self
Hopeless race of victims
Wolf among sheep
Territorial, deceitful
Aggression and dominance
Locked in time

Reflection of your inner self
Impossible to defeat
Schizophrenic paranoid
Atavistic enemy
Infaust

Nexus, Astral, Archon, Portal

I am that voice in your mind
I came from the end of time
To antagonize humankind
Determining the most sublime
