

# Need You In My Life

MC MAGIC

I am so in love with you  
(Girl I am so in love with you)  
Baby I need you by my side  
See I'm not the one for you  
But girl I need you in my life

Girl I am so in love with you  
With you cause before you I was blind  
It's the little things you do,  
That makes me see you in my life

I'm so deeply in love contigo  
Corazon tu me tienes lleno miya de todo tu amor  
I've been lost baby, when I'm not with you being close to you  
Is all I wanna do  
Close my eyes and forget all the pain I've been through  
It's the birth of something good  
It's just me and you against the world mamasita  
Cause I love you it's the truth  
En mi Corazon estas tu  
I will love you baby forever  
En un dia eres tu la que completa mi vida  
Si este mundo fuera mio todo te daria  
Y miya conmigo tu nunca sufrerias  
No one is gonna love you, the way I love you  
No one is gonna kiss you, the way I kiss you  
Cause...

[Chorus]  
I am so in love with you  
With you cause before you I was blind  
It's the little things you do,  
That makes me see you in my life

Check this out lil mama this is how I feel right here  
Now even though the years have passed  
Some good days and some bad  
I never stop loving that sexy little laugh  
The way you look into my eyes you can tell whats on my mind  
I wanna give you everything that you want and so much more in life  
Muchas gracias por todo lo que has dado even when I hated myself  
Tu siempre me has amado  
Mamasita how can I repay the days and long nights  
Forgave me when I acted crazy  
You stood by my side  
You're the reason why I've made it through the years  
That's why I'd never leave your side  
I'm staying right here  
I'm still in love with you because without you  
I'd be through I'm still in love with you because you showed me something true  
Como te explico el sentimiento that I hold inside  
That I can never turn my back because you are my life  
Eres la reina de mi amor and this is true  
I'm so...

[Chorus]

Girl I am so in love with you  
Cause before you I was blind  
(I was so damn blind)  
It's the little things you do  
(All the things you did for me)  
That makes me see you in my life  
Baby. . .
