

# Bubble Wrap

Mcfly

**C** I wish I could Bubble Wrap my heart,  
**G C G Ami G**  
Incuse I fall and break apart,  
**C G Ami**  
I'm not God I can't change the stars,  
**G C G Ami G**  
And I don't know if there's life on Mars,  
**F**  
But I know you're hurt,  
**Ami**  
People that you love and those who care for you,  
**Dmi G**  
I want nothing to do with the things you're going through.

**C**  
This is the last time,  
**Ami**  
I give up this heart of mine,  
**F**  
I'm telling you that I'm,  
**G**  
A broken man who's finally realised,  
**C**  
You're standing in moonlight,  
**Ami**  
But you're black on the inside,  
**Dmi F**  
Ooo oo oo ooo,  
**G**  
Do you think you ought to cry?  
**C**  
This is goodbye.  
  
I'm a little dazed and confused,  
Life's a bitch and so are you,  
All my days have turned into nights,  
Cos living without, without, without you in my life,  
And you wrote the book on how to be a liar,  
And lose all your friends,  
Did I mean nothing at all?  
Was I just another ghost that's been in your bed?

Cos this is the last time,  
I give up this heart of mine,  
I'm telling you that I'm,  
A broken man who's finally realised,  
You're standing in moonlight,  
But you're black on the inside,  
Ooo oo oo ooo,  
Do you think you ought to cry?  
This is goodbye.

Yeah!  
Turn on the radio honey,  
Cos every single sad song you'll be able to relate!

Whoa oh!  
Don't get all emotional baby,  
You can never talk to me your unable to communicate!

This is the last time,  
I give up this heart of mine,  
I'm telling you that I'm,  
A broken man who's finally realised...

This is the last time,  
I give up this heart of mine,  
I'm telling you that I'm,  
A broken man who's finally realised,  
You're standing in moonlight,  
But you're black on the inside,  
Ooo oo oo ooo,  
Do you think you ought to cry?  
This is goodbye.

This is Goodbye
