

Don't Know Why

Mcfly

One by one
Drinks are gone
Do I have to stay
Hate the sound
Of one more pound
As it rolls away
Why did I need your proof
When I knew the truth

And I don't know why
I just let it slip by
In all the time
I just wish you had tried

I don't want to know your game
Let alone her name
No matter what
You say to me
We are not the same

Why do you make me cry
Try to justify
To right the wrong
Of my mistakes
Cause my heads held high

And I don't know why
I just let it slip by
In all the time
I just wish you had tried

And I don't know why
I just let it slip by
In all the time
I just wish you had tried

Dreams we have as kids all fade away
Now its not the same

And I don't know why
I just let it slip by
In all the time
I just wish you had tried

And I don't know why
I just let it slip by
In all the time
I just wish you had tried
