Down By the Lake

Well you better get home cos your dad is awake Said he saw you last nite making out by the lake With a guy he hates He doesnt look at me the same way that you do Said i look pretty cute but i dont got the grades Seen the star on my foot and the way i behave We're better off when daddys outta town

O baby you got nothing to prove But if we decide to go doesnt mean he's gotta know O baby you got nothing to lose And we're better off when daddys not around

Doesnt give his consent so now we cant afford The perfect wedding you want gotta do it abroad In a place you adore so i got us on a plane to Hawaii Where the weather is nice And where we are alone None of daddy's advice Followed us here from home It'll be chilled when daddy's not around

O baby you got nothing to prove But if we decide to go doesnt mean he's gotta know O baby you got nothing to lose And we're better off when daddys not around

Ican't be around him and i've tried Itold him that i liked him but i lied Find some way to make him change his mind What can i do to be with you

O baby you got nothing to prove But if we decide to go doesnt mean he's gotta know O baby you got nothing to lose And we're better off when daddys not around
