

I Need a Woman

Mcfly

I've been searchin' for some
Love and affection
But there's nobody
Giving me that kind of attention
I'm alone, ooh
I'm alone

Can't help thinkin' that there's
Somebody missin' who
Could hold me and please me
Til I'm tired of her kissin'
I'm alone, ooh
I'm alone

When it gets to midniht
I'm in my bed alone
You're all I want
You're all I need
It's cold in the night
But I'm lookin' for the heat baby

I, I need a woman
Not any woman
But a woman who needs me too
Hey, so how about you?

Songs on the radio
Are just carbon copies
Of the way that I'm feelin'
After 5 cups of coffee
I'm alone, ooh
I'm alone

When it gets to sunrise
I'm wakin' up alone
You're all I want
You're all I need
This bed is burnin' up
To 99 degrees honey

I, I need a woman
Not any woman
But a woman who needs me too
Let me tell you baby
I, I need a woman
Not any woman
But a woman who needs me too
Hey, so how about you?

Oh believe me baby
I, I need a woman
Not any woman
But a woman who needs me too
Oh, oh, oh, oh
I, I need a woman
Not any woman
But a woman who needs me too

Yeah, so how about you?
