

Recently I've been  
Hopelessly reaching  
Out for this girl  
Whos out of this world  
Believe me

Shes got a boyfriend  
He drives her round the bend  
Cos he's 23  
He's in the marines  
He'd kill me

So many nights now  
I find myself thinking  
About her now

Cos obviously  
Shes out of my league  
But how can I win  
She keeps draggin me in  
And I know I never will be good enough for her

No no, I never will be good enough for her

Gotta escape now  
Get on a plane now yeah  
Up to LA  
And thats where I'll stay  
For two years

Put it behind me  
Go to a place where she can't find me  
Oh

Cos obviously  
Shes out of my league  
I'm wasting my time  
Cos she'll never be mine  
And I know I never will be good enough for her

No no, I never will be good enough for her

She's out of my hands  
And I never know where I stand  
Cos I'm not good enough for her  
(Good enough for her)
