

# One for the Radio

**Mcfly**

Here's Another Song for the Radio!

Life isn't fair for the people who care  
Stick your nose in the air and that's how you go far  
So go tell your lovers  
Your fathers, your brothers  
Your sisters, your mothers  
How lucky they are

Light Speed, out of my mind!  
I'm hurt, but I'll be fine  
Put your fist in the air  
Raise Your voice and declare  
Singing we don't care (We don't care !)  
We don't care (We don't care !)

So here's another song for the radio  
And here's another line from the heart  
So don't pretend you hate us as you sing along  
'Cos we all look the same in the dark

L.A. temptations or music sensations  
There's great expectations that weigh on our heads  
So here's to the liars who dream and conspire  
Against the admired,  
We hope you drop dead

Light Speed, out of my mind!  
I'm hurt, but I'll be fine  
Put your fist on your chest  
Raise your voice and protest  
Singing we don't care (We don't care !)  
We don't care (We don't care !)

So here's another song for the radio  
And here's another line from the heart  
So don't pretend you hate us as we sing our songs  
'Cos we all look the same in the dark

We Don't. We Don't Care (3x)

Here's one for the radio  
Here's one for the radio  
Here's one for the radio  
Here's one for the radio

So here's another song for the radio!  
And here's another line from the heart  
So don't pretend you hate us when we sing our songs  
'Cos we all look the same in the dark  
Here's another song for the radio!  
And here's another line from the heart  
So don't pretend you hate us when you sing along  
'Cos we all look the same in dark (For the radio)

We all look the same in the dark  
We all look the same in the dark

(For the radio)  
'Cos we all look the same  
We all look the same in the dark
