

# Star Girl

Mcfly

Hey, I'm looking up for my star girl  
I guess I'm stuck in this mad world  
With things that I wanna say  
But you're a million miles away

And I was afraid when you kissed me  
On your intergalactical frisbee  
I wonder why, I wonder why  
You never asked me to stay

So wouldn't you like to come with me  
Surfin' the sun as it starts to rise  
Woah, your gravity's makin' me dizzy  
Girl I gotta tell ya,  
I'm feelin' much better  
Make a little love in the moonlight

Hey, there's nothing on Earth that could save us  
When I feel in love with Uranus  
I don't wanna give you away  
Cause it makes no sense at all

Houston we got a problem  
Ground control couldn't stop them  
I wonder why, I wonder why  
You never asked me to stay

So wouldn't you like to come with me  
Surfin' the sun as it starts to rise  
Woah, your gravity's makin' me dizzy  
Girl I gotta tell ya,  
I'm feelin' much better  
Make a little love in the moonlight

Fly away  
Watch the night turn into day  
Dance on the Milky Way  
Melt me with your eyes, my star girl rules the skies  
1,2,1,2,3,4

I'm looking up for my star girl  
Guess I'm stuck in this mad, mad world  
Things that I wanna say  
But you're a million miles away

So wouldn't you like to come with me  
Go surfin' the sun as it starts to rise  
Yeah, wouldn't you like to come with me, (yeah)  
Girl I gotta tell ya,  
I'm feelin' much better  
I can't get enough of you

Galaxy defenders  
Stay forever  
Never get enough of you
