That's the Truth

I feel like I've been put on trial with you I know that something's wrong and I'm the one accused When the verdict's in, it's us who's gonna lose I can't wait for you to finally hear the truth

Cause I shouldn't have to plead my case So much love to save

If you listen to the things that your friends say You're gonna be lonely How can you treat me like that When I give my all to you Cause I haven't been messin' around I would never go out And do the things that you don't want me to do Cause I can tell you right now That you will never find the evidence on me And that's the truth Oh, oh, oh, yeah And that's the truth Oh, oh, oh, oh

I need a lawyer just to talk Cause they're tellin' you what to say They wish they had what we have And its jealousy that's in the way. Cause I can't sit round And watch them build a case Cause there's no savin' us now I'm just doing this to clear my name

Cause I shouldn't have to plead my case So much love to save

If you listen to the things that your friends say You're gonna be lonely How can you treat me like that When I give my all to you Cause I haven't been messin' around And I would never go out And do the things that you don't want me to do Cause I could tell you right now That you will never find the evidence on me And that's the truth Oh, oh, oh, yeah And that's the truth Oh, oh, oh

Cause I shouldn't have to prove my case So much love to save Save, save, save

If you listen to the things that your friends say You're gonna be lonely How can you treat me like that When I give my all to you

Cause I haven't been messin' around And I would never go out And do the things that you don't want me to do Cause I could tell you right now That you will never find the evidence on me And that's the truth Oh, oh, oh, yeah And that's the truth Oh, oh, oh, oh
