I Only Want to Be With You

Me First and the Gimme Gimmes

I don't know what it is that makes me love you so I only know I never want to let you go 'Cause you've started something Oh can't you see? That ever since we met yu've had a hold on me It happens to be true I only want to be with you

It doesn't matter where you go or what you do I want to spend each moment of the day with you Look what has happened with just one kiss I never knew that I could be in love like this It's crazy but it's true I only want to be with you

You stopped and smiled at me And asked if I'd care to dance I fell into your open arms And I didn't stand a chance Now listen honey

I just want to be beside you everywhere As long as we're together, honey, I don't care 'Cause you've started something Oh can't you see? That ever since we met you've had a hold on me It happens to be true I only want to be with you No matter what you do I only want to be with you
