

I've Done Everything for You

Me First and the Gimme Gimmes

This one way love affair ain't fair, it ain't no fair to me
It's all give and take, and you just take, and I can't take it,
you see
I'm giving up on love this time
Me and my friends we'll do just fine

I've done everything for you
I've done everything for you
You've done nothing for me

You said someday I'd have a whole lotta money
I'd be a millionaire
But when that didn't happen overnight
I found out how much you really cared
All you want is a whole lotta money
All the rest is just jiving honey

I've done everything for you
I've done everything for you
You've done nothing for me

When I first met you, you didn't know how to love a man
All those things about making love, you didn't understand
Now you know about everything
I'm turning you in for memories

I've done everything for you
I've done everything for you
You've done nothing for me

I've done everything for you
I've done everything for you
You've done nothing for me
You've done nothing for me
You've done nothing for me
You've done nothing for me
Fuck you!
