I Will Survive

Me First and the Gimme Gimmes

At first I was afraid I was petrified Kept thinking I could never live without you by my side I spent, oh, so many nights Thinking how you did me wrong But I grew strong I learned how to get along And so you're back from outer space I just walked in to find you here with that sad look upon your face I should have changed that stupid lock I should have made you leave your key If I've known for just one second you'd back to bother me Go on now, go walk out the door Just turn around now 'Cause you're not welcome anymore Weren't you the one who tried to hurt me with goodbye Do you think I'd crumble Did you think I'd lay down and die? Oh no, not I. I will survive Oh, as long as I know how to love I know I'll stay alive I've got all my life to live I've got all my love to give and I'll survive I will survive, hey, hey And you see me, somebody new I'm not that chained up little girl who's still in love with you And so you felt like dropping in And still expect me to be free Now I'm saving all my loving for someone who's loving me Go on now, go walk out the door Just turn around now 'Cause you're not welcome anymore Weren't you the one who tried to hurt me with goodbye Do you think I'd crumble Did you think I'd lay down and die? Oh no, not I. I will survive Oh, as long as I know how to love I know I'll stay alive I've got all my life to live I've got all my love to give and I'll survive I will survive, hey
