

Never Tear Us Apart

Me First and the Gimme Gimmes

Don't ask me
What you know is true
I don't have to tell you
I love your precious heart
I told you
That we could fly
'Cause we all have wings
But some of us don't know why
I was standing
You were there
Two world's colliding
And they could never tear us apart

We could live
For a thousand years
But if I hurt you
I'd make wine from your tears
I told you
That we could fly
'Cause we all have wings
But some of us don't know why
I was standing
You were there
Two world's colliding
And they could never tear us apart

I, I was standing
You were there
I was standing
You were there
I was standing
You were there
I was standing
You were there
Two world's colliding
And they could never ever, ever tear us apart
