Save the Best for Last

Me First and the Gimme Gimmes

Sometimes the snow comes down in June Sometimes the sun goes round the moon I see the passion in your eyes Somehow it's all a big surprise

There was a time when all I did was wish You'd tell me this was love
It's not the way I hoped or how I planned
But somehow it's enough

And now we're standing face to face
Isn't this world a crazy place
Just when I thought a chance had passed
You go and save the best for last

How could you give your love to someone else And share your dreams with me Sometimes of everything you're looking for It's the one thing you can't see

But now we're standing face to face
Isn't this world a crazy place
Just when I thought a chance had passed
You go and save the best for last

Sometimes of everything you're looking for It's the one thing you can't see

Sometimes the snow comes down in June Sometimes the sun goes 'round the moon Just when I thought a chance had passed You went and save the best for last

Saved the best for last
