

Heaven Can Wait

Meat Loaf

G **C**
Heaven can wait
Em **C** **G**
And a band of angels wrapped up in my heart
C Em **D** **C**
Will take me through the lonely night
A7 **D** **D7**
Through the cold of the day
G **G** **C**
And I know I know
Em
Heaven can wait
C **G** **C Em**
And all the gods come down here just to sing for me
D **C** **A7**
And the melody's gonna make me fly
D
Without pain
C
Without fear
G
Give me all your dreams
Bm **C** **G**
Bm
And let me go alone on your way give me all of your prayers to sing
F
C **Eb**
And I'll turn the night into the skylight of day I got a taste of paradise
B **F** **Fsus F** **C** **Eb**
I'm never gonna let it slip away I got a taste of paradise
B **D**
It's all I really need to make me stay
G
Just like a child again Heaven can wait

And all I got is time until the end of time I won't look back I won't look back
Let the alters shine
And I know that I've been released
But I don't know to where
And nobody's gonna tell me know
And I don't really care
No no no I got a taste of paradise
That's all I really need to make me stay I got a taste of paradise
If I had it any sooner you know
You know I never would have run away from my home
Heaven can wait and all I got is time until the end of time I won't look back
I won't look back Let the alters shine
Heaven can wait Heaven can wait I won't look back I won't look back
Let the alters shine Let the alters shine
